1. Introduction

1.1. This Policy sets out the principles on which the Management Committee will base its pay decisions and exercise its discretionary powers in respect of the remuneration of teachers. It should be read in conjunction with the latest School Teachers' Pay and Conditions Document (STP&CD). The Policy has been consulted upon with recognised trade unions.

1.2. The Management Committee will apply national and local agreements on pay and conditions of service and will take account of the Local Authority's policies and advice on pay and remuneration. It will ensure that it makes funds available to support pay decisions, in accordance with this pay policy and the school's budgets. All procedures for determining pay will be consistent with the principles of public life - objectivity, openness and accountability.

1.3. The aim is to optimise the quality of teaching and learning; support recruitment and retention of a high-quality teacher workforce; enable the school to recognise and reward teachers appropriately for their contribution to the school and ensure that decisions on pay are managed fairly, consistently and transparently.

1.4. Due to the small nature of the Management Committee implementation of this policy is a whole committee responsibility.

1.5. This Policy applies to all teaching staff at The Beacon Pupil Referral Unit.

2. Key Principles

2.1. This Policy is based upon the premise of Equal Opportunity in employment and Equal Pay, in accordance with relevant legislation, including in relation to pay levels, enhancements, promotions and remuneration. There will be equal pay for work of equal value and no discrimination on the grounds of protected characteristics in any pay decisions. Part-time and temporary staff have the same levels of pay as would be attached to similar responsibilities or work of equal value undertaken by full-time and permanent staff.

2.2. There will be an Equal Pay Review annually, including review of staffing establishment. The Management Committee will monitor the outcomes and impact of this policy including trends in progression across specific groups of teachers to assess its effect and the school's continued compliance with equalities legislation.

2.3. The Management Committee recognises that the staff of the school is the most important asset and values the commitment, support and goodwill of the staff at the school. The Management Committee wishes to use its pay policy to

assist with the recruitment and retention of staff through providing career development within an appropriately remunerated staffing structure.

3. Pay Reviews

3.1. Pay Determination on Appointment

3.1.1. The Management Committee will determine the pay range for a vacancy prior to advertising. Salaries of teachers on appointment or promotion, will be determined in accordance with the mandatory provisions of the STP&CD and the Committee will exercise its discretionary powers within the parameters as set out in Appendix B, guidance issued by the DfE and advice given by the Local Authority.

3.1.2. In making such determinations, the Management Committee may take into account a range of factors, including: the nature of the post, the level of qualifications, skills and experience required, market conditions and the wider school context.

3.2. Leadership Pay

3.2.1. When determining the leadership pay range, it will be reviewed in accordance with the STP&CD and will include a review of the school/Headteacher group size.

3.2.2. The Headteacher's Pay Range will reflect the responsibilities of the job in addition to the size of the school, any other factors specified in the STP&CD and advice issued by the Local Authority on the salaries of Headteachers at comparable size schools.

3.2.3. The current Headteacher in this school is paid in accordance with post-2014 STP&CD

3.2.4. In accordance with STP&CD (post 2014), the Headteacher's pay range will only exceed the maximum of the Headteacher's Pay range where the Management Committee determines that specific circumstances warrant a higher than normal payment. In that situation, the maximum of the Headteacher's pay range and any additional payments made will not exceed the maximum of the Headteacher group by more than 25%, other than in exceptional circumstances. **Advice will be sought from the Local Authority.**

3.2.5. The Management Committee will determine the pay ranges of the Deputy Headteacher(s) and any Assistant Headteacher(s) in relation to the duties and responsibilities of those teachers. The Management Committee can review the pay ranges at any time if they consider it necessary to retain a Deputy or Assistant Headteacher.

3.2.6. The maximum of the Deputy or Assistant Headteacher's pay range must not exceed the maximum of the Headteacher group for the school. The pay range for a Deputy or Assistant Headteacher should only overlap the Headteacher's pay range in exceptional circumstances. There should be appropriate scope within the range to allow for progress over time.

3.2.7. In the case of a Deputy Headteacher post the governors must be satisfied that the responsibility exceeds that expected of an Assistant Headteacher employed in the same school, including responsibility for discharging in full the responsibilities of the head in the absence of the Headteacher.

3.2.8. Details of Leadership Pay ranges are at Appendix E

3.3. Executive Headship/Head of More Than One School

3.3.1. If the Headteacher takes on permanent accountability for one or more additional schools, the pay committee will set a pay range in accordance with the provisions of the STP&CD. This could be a permanent arrangement where the schools are part of a hard federation with a single Governing Body. The remuneration in these cases should be based on the calculation of the total number of pupil units across all schools, which will give a group size for the federation.

3.3.2. If the Headteacher takes on temporary accountability for one or more additional schools, the pay committee will consider awarding a discretionary payment under the provisions of the STP&CD. There is an expectation that temporary arrangements will be time-limited and subject to regular review and the maximum duration should be no longer than two years. The total sum paid to the Headteacher in any school year must not exceed 25% of the amount that corresponds to the Headteacher's point on the Leadership Group pay spine.

3.3.3. In all cases, consideration needs to be given to the remuneration of other teachers who as a result of the Headteacher's role are taking on additional responsibilities. An increase in remuneration should only be agreed where the post accrues additional extra responsibilities as a result of the Headteacher's enlarged role, it is not automatic.

3.3.4. Details of Leadership Pay ranges are at Appendix E

3.4. Main Pay Range and Upper Pay Range

3.4.1. In accordance with the STP&CD, there is no longer an assumption that a teacher will be paid at the same rate as they were being paid in a previous school (Portability). When determining the starting pay for a newly appointed classroom teacher on the Main Pay Range or on the Upper Pay Range, the Management Committee will take into consideration the previous point the

teacher was paid and will also consider awarding pay points as outlined in Appendices F/ G.

3.4.2. Details of the Main Pay Range are at Appendix F

3.4.3. Details of the Upper Pay Range are at Appendix G

3.5. Leading Practitioner

3.5.1. The Management Committee will take account of Section 2 paragraph 16 and Section 3 Paragraphs 36 and 37 of the STP&CD when determining the role of leading practitioner in this school. Additional duties will be set out in the Job Description of the leading practitioner and will include:

- a leadership role in developing, implementing and evaluating policies and practices in the school that contribute to school improvement
- the improvement of teaching within school *[and within the wider school community]* which impact significantly on pupil progress

3.5.2. Details of Leading Practitioner Pay Range are at Appendix H

3.6. Unqualified Teacher

3.6.1. The pay committee will pay any unqualified teacher in accordance with the provisions of the STP&CD. The pay committee will determine where a newly appointed unqualified teacher will enter the scale, having regard to any qualifications or experience he/she may have, which they consider to be of value. The pay committee will consider whether it wishes to pay an additional allowance outlined in Appendix B of the Pay Policy.

3.6.2. Details of Unqualified Teacher Pay Range are at Appendix H

4. Pay Progression

4.1. General

4.1.1. All teachers can expect to receive regular, constructive feedback on their performance and development and are subject to annual appraisal that recognises their strengths, informs plans for their future development, and helps to enhance their professional practice. The arrangements for teacher appraisal are set out in the school's Appraisal policy, in accordance with the Education (School Teacher Appraisal) (England) Regulations 2012.

4.1.2. A teacher (including Unqualified Teachers) should expect to receive annual pay progression within the maximum of their pay range. The Management

Committee may only withhold progression if a teacher is in formal capability proceedings.

4.1.3. Each teacher will be given a written statement setting out their salary and any other financial benefits within a month after this date. Reviews may take place at other times of the year to reflect any changes in circumstances or job description that lead to a change in the basis for calculating an individual's pay. A written statement will be given after any review and where applicable will give information about the basis on which the decision was made.

4.1.4. Where a review of the School Staffing Structure leads or may lead to the start of a period of safeguarding, the Management Committee will give the required notification as soon as possible and no later than one month after the date of the determination.

4.2. Early Career Teachers

Where induction is completed outside of the appraisal cycle (September – August) the next opportunity for progression is at the following September in line with all teaching staff.

4.3. Staff on Maternity Leave/Long-term sickness absence

Pay decisions will be no less favourable than if the employee had not been absent due to reasons related to maternity or sickness absence. Account could also be taken of previous appraisal periods if necessary. Appraisals should be conducted flexibly, depending upon where the leave falls in the reporting year.

5. Movement to the Upper Pay Range

5.1. Any qualified teacher can apply to be paid on the UPR, it is their decision whether to apply and any such application must be assessed in line with this policy. The assessment will be evidence-based. A teacher may submit only one application in each academic year. The closing date for applications is normally 31 October each year; however, exceptions will be made in particular circumstances, e.g. teachers who are on maternity leave or who are on long-term sick leave.

5.2. If a teacher is simultaneously employed at another school(s), they may submit separate applications if they wish to apply to be paid on the Upper Pay Range in that school(s). This school will not be bound by any pay decision made by another school.

5.3. All applications should include the results of appraisals under the Appraisal Regulations 2012. Where such information is not applicable or available, a

written statement and summary of evidence designed to demonstrate that the applicant has met the assessment criteria must be submitted by the applicant.

5.4. Those teachers who are not subject to the Appraisal Regulations 2012, or who have been absent, through sickness, disability or maternity, may cite written evidence from a three-year period before the date of application, from this school and other schools, in support of their application.

5.5. See detail of criteria and procedure at Appendix I.

6. Discretionary Allowances and Payments

6.1. Headteacher discretionary payments

6.1.1. In accordance with the STP&CD the Management Committee may determine that payments be made to the Headteacher for clearly temporary responsibilities or duties that are **in addition** to the post for which their salary has been determined (not previously taken into account when determining the Headteacher's pay range). The total sum of the temporary payments made to a Headteacher in any school year will not exceed 25% of the Headteacher's annual salary and the total sum of salary and other payments made to a Headteacher will not exceed 25% above the maximum of the Headteacher group, except as stated in STP&CD 10.4

6.2. Teaching and Learning Responsibility (TLR) Payments

6.2.1. TLR1 and TLR2 payments can be awarded to classroom teachers and will be awarded to the holders of the posts indicated in the attached staffing structure. These reflect the undertaking of a sustained additional responsibility and ensure continued delivery of high-quality teaching and learning, for which a teacher is made accountable.

6.2.2. A teacher cannot be paid a TLR1 and 2 concurrently and cannot hold two TLR1's or two TLR2's at the same time. A TLR may not be paid to an unqualified teacher, a member of the leadership group or a staff member on the pay range for leading practitioners.

6.2.3. The Management Committee may also award a fixed-term TLR3 to a teacher for clearly time-limited school improvement projects, or one off externally driven responsibilities. The duration of the fixed-term must be established at the outset and payment should be made on a monthly basis throughout the fixed-term period. A teacher may be in receipt of a TLR3 concurrently with either a TLR1 or TLR2. The pro-rata principle does not apply to a TLR3.

6.2.4. The Management Committee may determine the value of a TLR1 or TLR2 based on the proportion of the TLR the teacher is undertaking. A part-time teacher undertaking the **full** responsibilities associated with the TLR can receive the full value of the TLR1 or TLR2. A full-time teacher sharing the responsibilities of a TLR with another teacher can receive the appropriate proportion of the TLR1 or TLR2.

6.2.5. The values of the TLRs to be awarded are set out at Appendix B

6.3. Recruitment and Retention

The Management Committee will consider awarding the payment of recruitment and retention awards to classroom teachers in the following circumstances – to retain a highly skilled member of staff who plays a pivotal role to the effectiveness of the Pupil Referral Unit (budget allowing).
The Management Committee will review the level of payment/benefits annually. Details of payments are at Appendix B.

6.4. Special Educational Needs (SEN)

The Management Committee will award a SEN allowance to all teachers who meet the criteria outlined in the STP&CD Part 4, paragraphs 21.1 to 21.4. Where the SEN allowance is to be paid, the spot value of the allowance will be determined taking fully into account the structure the School's SEN provisions and the factors outlined in the STP&CD. The teacher will be given written notification at the time of the award which will specify the reason for the award. SEN allowances may be held at the same time as a TLR. Payment details at Appendix B.

6.5. Acting Allowances

Acting allowances are payable to teachers who are assigned and carry out the duties of Head, Deputy Head or Assistant Head in accordance with the STP&CD and Appendix B of the Pay Policy. The pay committee will, within a four-week period of the commencement of acting duties, determine whether the acting postholder will be paid an allowance. If the acting responsibilities continue for a period of four weeks or more, they will be paid at an appropriate point of the Head's, Deputy Head or Assistant Head range, as determined by the pay committee. Payment will be backdated to the commencement of the duties. In the event of a planned and prolonged absence, an acting allowance will be agreed in advance and paid from the first day of absence.

6.6. Other Payments

The Management Committee will exercise its discretion and make additional payment to classroom teachers, in accordance with the STP&CD and as outlined at Appendix B.

7. Salary Safeguarding

7.1. Salary safeguarding will be applied in accordance with the criteria stated in the STP&CD. The teacher will be notified in writing within one month of the decision being taken effecting the safeguarding, confirming details of the payments due and safeguarding period.

7.2. If the safeguarded sum exceeds £500, the teacher's duties will be reviewed and additional duties allocated as considered appropriate and commensurate with the safeguarded sum, for as long as the teacher continues to be paid safeguarded sums which in total exceed £500. The teacher shall not be paid any safeguarded sums if they unreasonably refuse to carry out such additional duties, provided that the teacher is notified of the decision to cease paying the safeguarded sums at least one month before it is implemented.

9. Policy Review and Consultation

9.1. The Pay Policy will be reviewed annually to comply with STP&CD and any other statutory/legal requirements and in particular to take account of pay awards, changes in national agreements governing pay, the school development plan and the school's budget.

9.2. Such reviews will be undertaken in consultation with staff, including representatives of all the recognised trade unions and teachers' associations.

Appendix I - Procedure for applications to Upper Pay Range

General

One application may be submitted annually. The closing date for applications is normally 31 October each year; however, exceptions will be made in particular circumstances, e.g. those teachers who are on maternity leave or who are currently on sick leave. The process for applications is:

- Complete the school's application form: Application to be paid on the Upper Pay Range.
- Submit the application form and supporting evidence to the Headteacher by the closing date for applications.
- If the assessor is not the Headteacher you will receive notification of the name of the assessor of your application within 5 working days.
- The assessor will assess the application, which will include a recommendation to the pay committee of the relevant body.
- The application, evidence and recommendation will be passed to the Headteacher for moderation purposes, if the Headteacher is not the assessor.
- The pay committee will make the final decision, advised by the Headteacher.
- Teachers will receive written notification of the outcome of their application by December 31. Where the application is unsuccessful, the written notification will include the areas where it was felt that the teacher's performance did not satisfy the relevant criteria set out in this policy (see 'The Assessment' below).
- If requested, oral feedback which will be provided by the assessor. Oral feedback will be given within 10 school working days of the date of notification of the outcome of the application. Feedback will be given in a positive and encouraging environment and will include advice and support on areas for improvement in order to meet the relevant criteria.
- Successful applicants will move to the minimum of the UPR on 1st September of that year.
- Unsuccessful applicants can appeal the decision. The appeals process is set out below.

The Assessment

The teacher will be required to meet the criteria set out in the School Teachers' Pay and Conditions Document, namely that:

- the teacher is highly competent in all elements of the relevant standards – (Template 4 Assessment Form – Teachers' Standards); and

- the teacher's achievements and contribution to the school are substantial and sustained.

In this school, this means:

"highly competent":

the teacher's performance is assessed as having excellent depth and breadth of knowledge, skill and understanding of the Teachers' Standards in the particular role they are fulfilling and the context in which they are working.

(e.g. performance which is good enough to fulfill wider professional responsibilities, and develop effective professional relations with colleagues, giving them advice and demonstrating to them effective teaching practice and how to make a positive contribution to the wider life and ethos of the school, in order to help them meet the relevant standards and develop their teaching practice).

"substantial":

the teacher's achievements and contribution to the school are significant, not just in raising standards of teaching and learning in their own classroom, or with their own groups of children, but also in making a significant wider contribution to school improvement, which impacts on pupil progress and the effectiveness of staff and colleagues.

(e.g. of real importance, validity or value to the school; play a critical role in the life of the school; provide a role model for teaching and learning; make a distinctive contribution to the raising of pupil standards; take advantage of appropriate opportunities for professional development and use the outcomes effectively to improve pupils' learning).

"sustained":

the teacher must have have made good progress towards their objectives during this period. They will have been expected to have shown that their teaching expertise has grown over the relevant period and is consistently good to outstanding.

Further information, including information on sources of evidence is contained within the school's appraisal policy.

Appeals

The arrangements for considering appeals are as follows:

A teacher may seek a review of an unsuccessful application to move to the Upper Pay Range.

The following list, which is not exhaustive, includes the usual reasons for seeking a review of a pay determination.

That the person or committee by whom the decision was made:

(a) incorrectly applied the school's pay policy

(b) incorrectly applied any provision of the School Teachers' Pay and Conditions Document

(c) failed to have proper regard for statutory guidance

(d) failed to take proper account of relevant evidence

(e) took account of irrelevant or inaccurate evidence

(f) was biased or

(g) otherwise unlawfully discriminated against the teacher.

Appeal Process

(a) The employee receives written confirmation of an unsuccessful application to move to the Upper Pay Range and the basis on which the decision was made.

(b) If the employee is not satisfied, he/she should seek to resolve this by discussing the matter informally with the Headteacher, requesting reconsideration within ten working days of the decision. Where this is not possible, or where the employee continues to be dissatisfied, he/she may follow a formal appeal process.

(c) **Appeal** The employee has a right of appeal to a panel of three Management Committee members who were not involved in the original determination or representations. The appeal must be lodged in writing, showing the grounds for appeal, within 10 working days of the decision from the Headteacher at (b) or original notification if no discussion at (b).

Any appeal should be heard normally within 20 working days of the receipt of the written appeal notification. The employee will be given the opportunity to make representations in person. For any formal hearing or appeal the employee is entitled to be accompanied by a colleague or union representative. Any supporting documentation provided by either the employee or the Chair of the Pay Committee/ Headteacher to be considered at the hearing, should be available to the Appeal Panel at least 5 working days prior to the hearing date. The decision of the appeal panel will be given in writing, and where the appeal is rejected will include a note of the evidence considered and the reasons for the decision – see Model letter 3 – Outcome of Pay Hearing.

Appendix J – Salaries of Headteachers, Deputy Headteachers and Assistant Headteachers – Further Guidance

New appointments – the 3-stage process

The Management Committee will adopt the following three-stage process when setting the pay for **new appointments** to headship or the wider leadership team.

Stage 1 – Define the role and determine the Headteacher group

Stage 2 – Set the indicative pay range

Stage 3 – Decide the starting salary and individual pay range.

All decisions and the reasons for them will be documented at every stage. All pay decisions will be made on objective criteria so that there is no discriminatory effect on any group of teachers with a particular protected characteristic under the Equality Act 2010.

Stage 1 – Define the role and determine the Headteacher group

At this stage the Management Committee will define the job and identify the broad pay range as a provisional guide to determining an appropriate level of pay.

The Management Committee will define and set out the specific role, **responsibilities and accountabilities** of the post as well as the **skills and relevant competences** required.

For the Headteacher's post the Management Committee will assign the school to a Headteacher group which will determine the appropriate broad pay range. This will be done by calculating the total unit score for the school in accordance with paragraphs 5-8 of the STP&CD.

For other leadership group posts, the Management Committee will consider how the role fits within the wider leadership structure of the school. The pay range for a Deputy or Assistant Headteacher will not overlap the Headteacher's pay range.

At this stage the Management Committee will consider the complexity and challenge of the role in the particular context of the school and make a judgement on pay in the light of this.

The Management Committee will ensure that current discretionary payments, such as allowances for recruitment and retention, permanent additional responsibilities (e.g. the provision of initial teacher training (ITT)), and long-term provision to other schools, will be captured at this stage.

For the Headteacher's post the Management Committee will normally expect that the total unit score fully captures the complexity of the Headteacher role and that the relevant broad pay range accommodates appropriate levels of reward. The Management Committee will determine whether the indicative pay range should start at the minimum of the Headteacher group or whether it will start at a higher level because of the level of challenge of the post.

Pay Range for Headteacher 2025 (STP&CD Limits)

Group	Pay Range	(Discretionary Reference Points)
1	(6-18)	£58,569 -£77,924
2	(8-21)	£61,534 - £83,860
3	(11-24)	£66,368 - £90,255
4	(14-27)	£71,330 - £97,136
5	(18-31)	£78,702 - £107,131
6	(21-35)	£84,699 - £118,169
7	(24-39)	£91,158 - £130,274
8	(28-43)	£100,540 - £143,796

Note: The STP&CD sets out the above limits on Headteachers' pay for each of the eight school groups. These apply unless the Governing Body has exercised its discretion, in accordance with the STP&CD, to exceed these limits.

Establishing a pay range above the school's Headteacher group

The expectation is that in most cases the pay range will be within the limits of the Headteacher group. However, in some cases, e.g. where there may be significant difficulty in making an appointment or there is a need to incentivise a Headteacher to take on responsibility for a very large school or to lead multiple large schools, it may be appropriate to consider extending the individual pay range.

If the Management Committee consider that circumstances warrant it, they can set the indicative pay range with a **maximum (**including any additional temporary payments) of **up to** 25% above the top of the relevant Headteacher group range*.

It should be wholly exceptional for the maximum of the pay range to be more than an additional 25% higher than the maximum of the Headteacher group. If it is considered that there are exceptional circumstances that warrant an extension beyond that limit, a business case would be required. The Management Committee will need to seek external independent advice from an appropriate person or body who can consider whether it is justifiable to exceed the limit in a particular case. There must be a clear audit trail for any advice given and a full and accurate record of all decisions made and the reasoning behind them.

For the Headteacher post the Management Committee will consider the following additional factors that suggest the indicative pay range should be higher than would be provided by the basic calculation in Stage 1.

The following represent some examples of the additional factors that the Management Committee may wish to consider, but these are for *guidance only and are not intended to provide an exhaustive list*:

> **the context and challenge arising from pupils needs,** e.g. if there is a high level of deprivation in the community (Free School Meal (FSM) entitlement and/or English as an Additional Language indicators may be relevant) or there are high numbers of looked after children or children with special needs or there is a high level of in-year churn/pupil mobility, and this affects the challenge in relation to improving outcomes;
>
> a **high degree of complexity and challenge,** e.g. accountability for multiple schools or managing across several dispersed sites, which goes significantly beyond that expected of any Headteacher of similar-sized school(s) and is not already reflected in the total unit score used at Stage 1;
>
> **additional accountability not reflected in Stage 1,** e.g. leading a teaching school alliance, factors that may impede the school's ability to attract a field of appropriately qualified and experienced leadership candidates, e.g. location; specialism; level of support from the wider leadership team.

The Management Committee should take into consideration the following when determining the pay range: Does the total unit score provide an appropriate pay range for the job? Are there any additional factors that need to be considered in determining the indicative pay range?

Is it appropriate to apply more weight to some factors than others, e.g. the level of social challenge; managing more than one school; difficulty in making a suitable appointment.

For those factors which are not expected to persist, such as temporary responsibility for an additional school, these should be reflected through an allowance rather than consolidated into the indicative pay range.

Is the role so challenging that the pay range should extend above the maximum of the Headteacher group for the school?

Is there any relevant benchmarking information available that would support your judgement on whether the pay range is justifiable?

Do you require any further assistance or support from Human Resources in exercising your judgements e.g. provision of benchmarking information?

Does the pay range provide scope for performance-related progression over time?

What is the appropriate differential between the pay ranges for different leadership posts? Have the equality implications been considered of any decisions over differentials.

At the end of this stage the Management Committee should decide where in the broad range to position the indicative pay range and set this out clearly when advertising the job. The Management Committee should make an **overall judgement** on the position and breadth of range, allowing appropriate scope for performance-related progression over time, clearly linked to school improvement priorities and outcomes.

For other leadership roles the process is broadly the same. The Management Committee will wish to consider how the other leadership roles should be set in accordance with the level set for the Headteacher and ensure that there is sufficient scope for progression.

There should be a clear audit trail for all decisions made and the reasoning behind them.

Stage 3 – Deciding the starting salary and individual pay range

The Management Committee will set the starting salary in the light of candidate-specific factors, such as the extent to which the candidate meets the specific requirements of the post.

Appendix K – Pay Committee

The constitution, membership and proceedings of the committee shall be subject to the requirements of the School Governance Roles, Procedures and Allowances Regulations 2013 and any amending Acts in determining the terms of reference.

The Governing Body must decide whether to specify a quorum for the committee. If a quorum is not specified all members of the committee will have to meet in order to make effective decisions.

The Governing Body must also decide who will act as clerk to the committee and who will ensure that reports from the committee are made to the Governing Body

The Pay committee must follow the requirement that any person employed to work at a school shall withdraw from a meeting during discussion of their own pay and that the Headteacher shall also withdraw when his or her own pay is discussed.

The Pay committee has a duty to advise the Governing Body on the school's pay policy and its updating.

The Pay committee will implement the following parts of the school's pay policy, as adopted by the Governing Body:

set internal procedure and dates to provide for annual determination of the salaries of all teachers in the school with effect from 1st September as required by the School Teachers' Pay and Conditions Document, to be undertaken in September or as soon as possible thereafter

ensure that the Headteacher has issued to teachers who are awarded Teaching and Learning Responsibility points clearly defined Job Descriptions outlining the sustained additional responsibility in the context of the school's staffing structure that is needed to ensure continued delivery of high quality teaching and learning and for which the teacher is made accountable

ensure that the Headteacher has allocated to teachers who are in receipt of a safeguarded sum – higher than £500 – reasonable additional duties that the Headteacher considers appropriate and commensurate with the safeguarded sum. These additional duties will clearly be outlined in the Job Description so that they can be deleted at the end of the safeguarding period

determining remuneration for employees undertaking additional responsibility on a temporary basis at the direction of the Governing Body or the Headteacher acting on the Governing Body's behalf

ensuring that records are maintained in an appropriately confidential manner, by the Clerk to the Governing Body or the Headteacher as appropriate, of all matters relating to salaries

communicate approved decisions to the LA and payroll.

Any member of the Pay Appeals panel hearing appeals must not be a member of the Pay committee. The Pay Appeals panel hearing appeals will consider any appeals against decisions taken by the committee
